

It's your Battenkill.
**Explore it &
 Discover**
 the Connections!

MAP

Welcome to the Battenkill Watershed.

Help preserve & enhance the river. Treat it with love & respect.

Please...

- ...enjoy the river's beauty, plants, fish & birds.
- ...leave no trace. Remember not to dump, litter or urinate along its banks or in its waters.
Carry In/Carry Out.
- ...use anything but glass bottles. Glass shards hurt people & animals.
- ... keep plastic bags, string, containers & shoes from straying into the watershed. These kill wildlife & spoil the beauty of the landscape.
- ... remember the river supplies your drinking water & the water used by the local farmers to grow your food.
- ...leave the river as you found it so it will thrive & continue to offer friendship & fun for all who visit it.

To learn more & how you can help, volunteer, become a member & support the Battenkill Conservancy, please visit

www.BattenkillConservancy.org

Remember, it's your BattenKill.
Explore it. Enjoy it. Treat it as your own!
